

Median Home Value — 2012-2016 American Community Survey 5-Year Estimate

By County

By State

Note: Value is the respondent's estimate of how much the property (house and lot) would sell for if it were for sale. This tabulation includes only specified owner-occupied housing units—one-family houses on less than 10 acres without a business or medical office on the property. This data excludes mobile homes, houses with a business or medical office, houses on 10 or more acres, and housing units in multi-unit structures.
